 Subject: Time Extension Request
 Date: 2/11/08

Your Honor,

I am respectfully requesting a time extension in regards to the civil case docket No.07 Civ. 7515 so that I can prepare paperwork and possibly find a lawyer through the Legal Aid Society or request one Pro Bono through the court. I have no legal background and I did not understand the processes involved with answering a complaint. I was just recently advised of the processes and I am trying to act on them right now. I was present in the court building at the last court conference but I got lost and arrived late and the conference was completed. I am trying to avoid a default judgment against myself and I am hoping you will understand to my situation. I was just recently released from prison and presently reside in a transitional shelter. I am also on public assistance and I have no other income. Hopefully I will be able to find a lawyer to help me address this situation but until then I will be forced to handle the case Pro Se. This will take some time for me to figure out what papers to file and submit the proper papers accordingly. I hope this request is acceptable to the court and is allowed. I will try to file all papers and motions in a timely manner. Any advice would be appreciated.

Thank You

Anthony McEwan
